2:30 pm *Ten Minute Convenience Break*

2:40 pm **Conversation with the Chancellor**

**Moderator: Willy Duncan, Supt/President, Sierra CCD & Chair,
ACCCA Commission for Finance, Legislation & Advocacy**

Presenter: Dr. Sonya Christian, Chancellor, California Community Colleges

We are thrilled to welcome our state Chancellor, Dr. Sonya Christian, to the 2025 program. Dr. Christian will share her perspective on the Governor's budget proposal.

Sonya Christian, PhD, is a fierce advocate for the life-changing ability of community colleges to reach underserved populations and educate the future workforce. She is committed to advancing work through distributed leadership and collaborative communities of learning, and to promoting the value of equity in student learning, access, success and economic mobility.

3:00 pm

Economic Impact Outlook

Speaker: Thomas Ash, Economist, UCLA Anderson School of Economics

Thomas Ash joined the UCLA Anderson School of Management as a Researcher and the UCLA Anderson Forecast as an Economist in 2023. His research involves subjects in Macroeconomics, Finance, Digital/Media Economics, Climate Change and Migration. His work uses a range of methods, including empirical data analyses, optimization modelling and machine learning methods to answer research questions in these areas. He has particular expertise in the use of Natural Language Processing (NLP)

methodologies.

For the UCLA Anderson Forecast, Thomas is involved in developing forecasts of the impacts of Climate Change on the economy, as well as forecasts of the California Economy. Thomas' most recent research examines Green Finance and ESG, Social Media's role in herding, polarization and asset price bubbles, as well as Macroeconomic models that analyze the impact of Climate Change through its impact on Natural Disasters.

3:45 pm

Brief Closing Remarks by Willy Duncan, Supt./President, Sierra CCD

4:00 pm

Adjournment

Note: *At the conclusion of the workshop, attendees will receive a link to the workshop resource page, including the 2025-26 Budget Planning workbook containing relative excerpts from the budget proposal and related analysis and commentary provided by School Services of California, Inc.*
