

RESORT AT SQUAW CREEK®
LAKE TAHOE

Booking transportation in advance in highly recommended!

North Lake Tahoe Express Bus: The North Lake Tahoe Express Bus charge is \$150 per person each way. You can book directly on their website. Schedules are listed there as well.

Uber or Lyft: Uber and Lyft are very unreliable and can charge you up to \$250 each way from Reno to the Resort. They often accept your request and then change the wait time until eventually dropping your request all together and leaving you stranded. Getting a lift from Reno to the Resort can work, however, booking the return can cause you delays which could result in your missing your flight.

Car Rentals: VIP Car Rental services can be arranged by the concierge. This is a full-service VIP service. These prices are competitive with other basic car companies. They can deliver the car to you at the airport or drop off/pick up cars at the hotel for your use. They offer one way drop off too. Only the Concierge can arrange this service for you. Please speak to the concierge desk. All other traditional car rentals would be arranged directly from car companies. Reno airport or Truckee airport. It's a good option if you want to go outside of valley for dining or excursions. This should be booked in advance as rentals are limited. During winter months we highly suggest 4-wheel drive vehicles only. If only two-wheel vehicles are available, be sure to get chains from rental company.

Local Bus: Free Tart Bus is the local bus in our area and runs all over the lake daily.

www.tahoetruckeetransit.com download the appt too! Doesn't go to the airport. This is for local transportation only.

Private Car Service/Taxi: Please book this through the Concierge. Car service is **approximately** \$160-200 each way for Reno Airport to Hotel with up to 4 passengers. Prices will be more if you require a larger vehicle or have more passengers. Time of day and weather conditions can also change the pricing.

*Car service can also be arranged for traveling to and from excursions and restaurants once at the Resort. **Need to book in advance with the concierge!**
