

CASINO NIGHT

Whether you plan to participate in the gaming or not, plan to join us Monday evening for Italian themed food stations and opportunities to win prizes. Every attendee will receive \$2,000 in fun money upon arrival. You may use it for gaming or immediately exchange for four (4) opportunity drawing tickets, one ticket for every \$500. Those who participate in gaming may exchange their winnings for the same. Drop your tickets in front of prize items donated by sponsors (gift cards of \$50 to \$200 and more) and ACBO (a complimentary Fall 2023 Conference registration) for chances to win. Winning ticket numbers will be announced at the morning general session on Tuesday so be sure to drop half and keep half! *Note: For those not interested in gaming, we will have a variety of card and board games available outside the room.*

CE SIGN-IN BOOKS

We are offering CE credit at this conference. You will be able to find the binder of sign in sheets at the back of the room for each eligible session. The CE eligible sessions will be noted in the conference app by asterisk in session title and notation in description.

VOTING DELEGATES

If you are the CBO (or equivalent) for your college / district, be sure to sign in as a delegate at the conference check-in desk upon arrival. All signatures must be in place a minimum of one hour prior to the Association Meeting.

WEATHER BACK UP REMINDER

Should we experience inclement weather at any point during the conference, activities scheduled for the Sun & Spa Deck – currently both lunches and both receptions – will be moved to Cascades (and surrounding space as needed).

REFRESHMENT BREAKS, MEALS AND DIETARY RESTRICTIONS

All food and beverage functions are noted in the conference app as are menus. Meals are buffets, should address most needs and items are labeled as appropriate. Should you have any challenges, please go to the ACBO Desk for assistance.

You may notice some of the food offerings, especially at breaks, are a bit lighter than in the past. Food costs have soared in recent years. In an effort to address that, without further significant increase in registration fees, we are being prudent where we can without impacting the overall conference experience.

SESSION SURVEYS / CONFERENCE EVALUATION

We encourage you to fill out a Session Survey in the conference app immediately following each session you attend. Your ongoing feedback is important to us for future planning and to the presenters. An overall conference evaluation link will be included in the conference app prior to the end of the conference and it will also be emailed by end of week.

SPECIAL FEATURES

SONYA CHRISTIAN, Incoming Chancellor, California Community Colleges

Throughout her career Dr. Christian has been committed to advancing work through distributed leadership and collaborative communities of learning, and to promoting the value of equity in student learning, access, success and economic mobility. She says: *The only way to scale work is to tap into the talent, ingenuity, dedication, and care of the people that provide the power to transform. The alignment of distributed forces stems from shared ownership that is almost always more fundamental than the details of the solution, not least because it builds a sense of community that creates long-term sustainability.*

ANDREW WOODHULL, Comedian
