## SOUTHWESTERN COLLEGE CHULA VISTA CAMPUS

- 1,603 course offerings, 178,450 WSCH, and 6,001 FTES
- Average section size – 34.33 students
- 77% lecture and 23% laboratory hours
- 81% of Curriculum represents General Education/Transfer
- 1.5% Non-Credit, Continuing Education WSCH
- College produces 80% of District WSCH/FTES

## Fall 2011 Baseline Summary

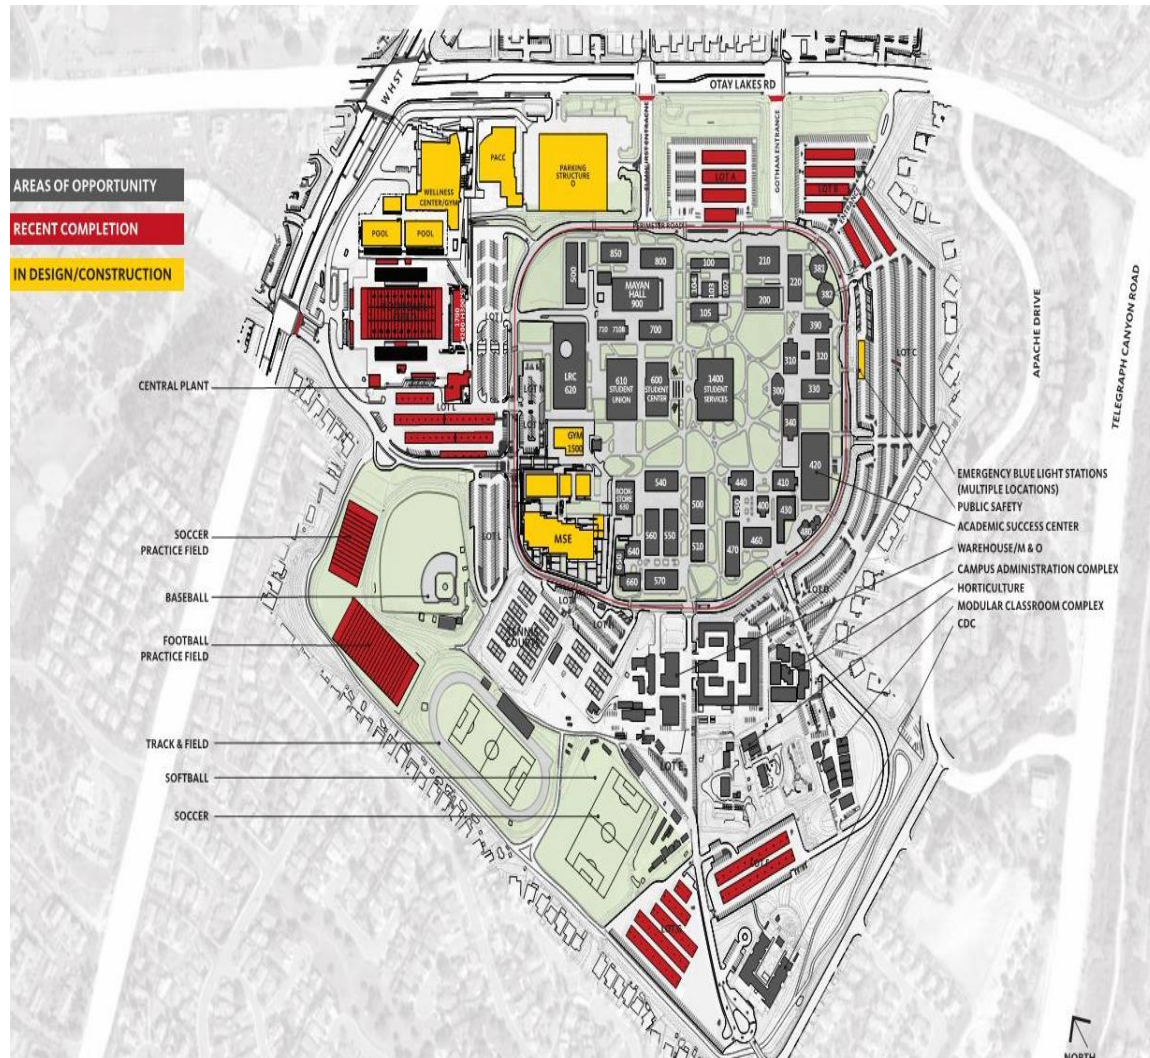

School	Section Numbers	Enrolled Seats	Seats / Section	WSCH	FTES	Lecture Hours	Lab Hours	% Sections	% WSCH

# Collegial Consultation Processes

# Collegial Consultation Processes

Committee Name: Institutional Facilities Committee	
Mission/Purpose	The facilities Committee is a shared planning & decision-making committee that serves as a standing Committee of the SCC (Shared Consultation Council) to address facility needs for strategic planning, accreditation and prioritization for the institution's physical plant, utilities, spatial environment, transportation infrastructure and other areas deemed appropriate by the SCC.
Parent Committee	Shared Consultation Committee
Standing Subcommittees	None
Major Responsibilities and Reports	<ul style="list-style-type: none"> <li>• Oversees and provides constituency input on major construction and renovation projects updates</li> <li>• Oversees strategic Plan priority regarding Physical and financial Resources &amp; Development (Physical Resources portion)</li> <li>• Addresses ACCJC Self Evaluation Report standard 3B: Physical Resources</li> <li>• Reviews and makes recommendations to the SCC regarding the Educational and Facilities Master Plan (Facilities portion)</li> <li>• Prioritizes Facility needs and equipment needs greater than \$5,000 from program review</li> <li>• Promotes the landscape and external appearance of the College and Centers</li> <li>• Addresses internal and external facility issues and needs while promoting Universal Design principles</li> <li>• Addresses sustainability and conservation options applicable to facilities</li> <li>• Reviews Bond funded projects as needed</li> <li>• Reviews and provides input for the facilities Capital outlay Plan and five-year Construction Plan</li> <li>• Strategic Planning for Physical and Financial Resources with the FOP</li> </ul>

# Physical Plant and Instruction Support (PPIS)

- ▶ In FY 2021-22, the PPIS program provided \$511M for CCC's
  - ▶ The 2022-23 allocation targeted by the legislature is \$800M
- ▶ Districts may allocate their share of the total state allocation between the physical plant, instructional support, and water conservation to meet their local needs.
- ▶ Facilities which would not be state-supportable under the Community College Construction Act will not be considered in the Scheduled Maintenance Program (such as parking lots, stadiums, bookstores, and *dormitories*).
- ▶ Districts are responsible for complying with encumbrance and expenditure periods indicated in Budget Act and accompanying legislation, this can change.

# Project Types

The physical plant component of the Physical Plant and Instructional Support program consists of the following areas:

- ▶ Scheduled Maintenance/Special Repairs, including architectural barrier removal, seismic retrofit, hazardous substances.
- ▶ Water conservation, including landscape/synthetic turf, building improvements, drip/low-flow irrigation system, and well meter installation.
- ▶ Will include energy conservation projects. Discussion on how to load and prioritize is ongoing.

# Scheduled Maintenance Program

The Scheduled Maintenance program provides funding for non-recurring repair and maintenance of facilities and to correct and avoid health and safety hazards, maintain an environment conducive to learning, and improve long-term cost effectiveness of facility operations.

- ▶ Allowable projects are to either **repair or replace** existing facilities and equipment, not to purchase new additions.

## Types of projects (listed in order of state priority)

- ▶ 1. Roofs
- ▶ 2. Utilities
- ▶ 3. Mechanical
- ▶ 4. Exterior
- ▶ 5. All others that do not fit in the above types

# Hazardous Substances Program

The Hazardous Substances program provides funding for remediation of environmental hazards which pose an immediate danger to human health and safety at California Community College facilities.

## **Types of Projects (listed in order of state priority)**

- ▶ 1. Asbestos Airborne Particulates
- ▶ 2. Non-Friable Asbestos
- ▶ 3. Chemical Related
- ▶ 4. Polychlorinated Biphenyl (PCBs)
- ▶ 5. Underground Tanks and Other Related Project
- ▶ 6. All others that do not fit in the above types

# Water Conservation Projects

Since the 2015-16 Budget Act, the Physical Plant and Instructional Support program allows districts to allocate funds to water conservation projects.

**Water Conservation projects may include any of the following:**

- ▶ 1. Replacement of water intensive landscaping with drought tolerant landscaping, synthetic turf, provided that the turf is used only in nonathletic areas, and other non-plant materials
- ▶ 2. Drip or low-flow irrigation systems
- ▶ 3. Building improvements to reduce water usage
- ▶ 4. Installation of meters for wells to allow for monitoring of water usage

# Bond Campaigns and Info

# What is a General Obligation (G.O.) Bond?

- ▶ Voters in the district approve a ballot measure authorizing some level of property tax to be assessed on their real property
- ▶ Proceeds from the tax are used to repay the buyers of bonds secured by the financial strength of the district
- ▶ Bonds can be taxable, but usually tax-free
- ▶ No cost to the District

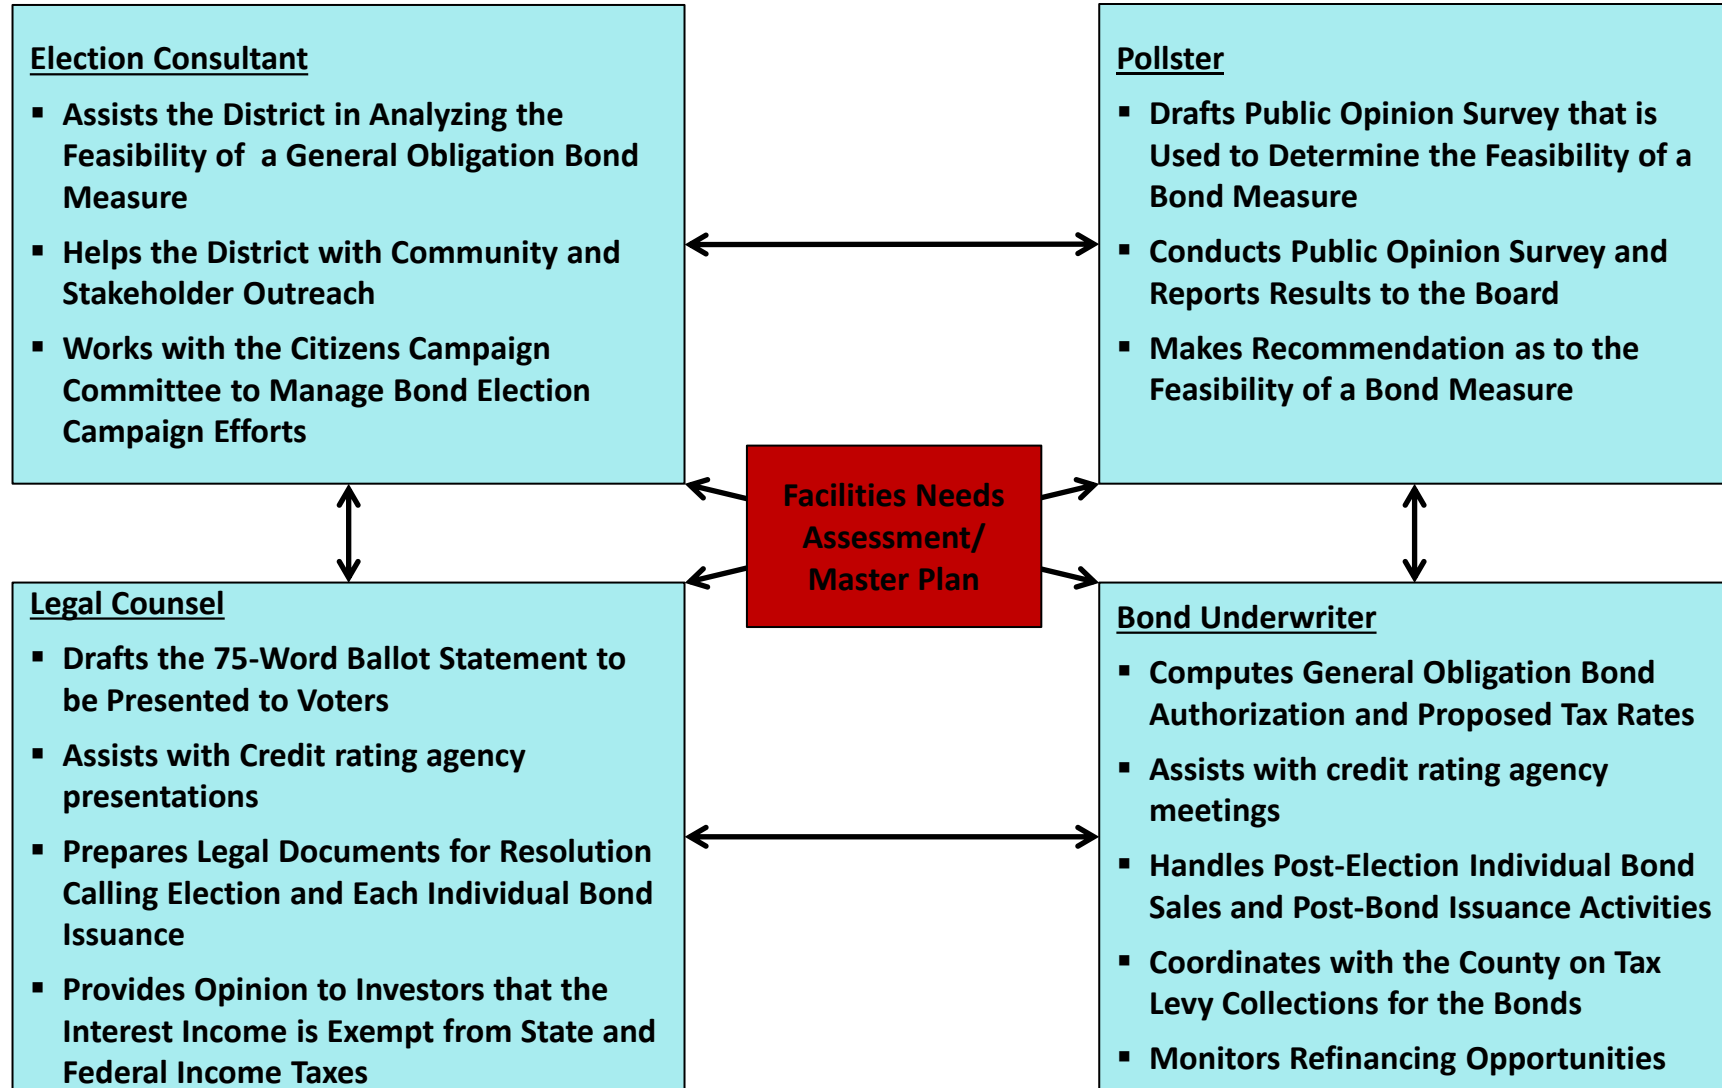

# What is a Proposition 39 G.O. Bond?

- ▶ Approved by voters in 2000
- ▶ Reduced approval threshold from 66% to only 55% - a huge difference
- ▶ Proceeds can be used for more than just building a building
  - ▶ Construction, furniture, fixtures, equipment, Infrastructure, technology
  - ▶ Refinancing of General Fund facilities-related debt
- ▶ Proposition included taxpayer protections and oversight
  - ▶ Requires independent financial and performance audit
  - ▶ Requires annual report to community
  - ▶ Proceeds can't be used for faculty or administrative salaries
  - ▶ Requires Citizens Bond Oversight Committee

# Potential Timeline and Milestones

- ▶ Phase I - Needs Assessment & Resource Identification
- ▶ Phase I - Feasibility and Research, Jan - March
- ▶ Phase II - Engagement and Polling, March - May
- ▶ Phase III - Board Assessment & Decision, July - August  
ballot deadline
  - ▶ Documents must be submitted including actual bond language
- ▶ Phase IV - Campaign, August
- ▶ Phase V - The Public Vote, November

# Who Are the Professionals Involved in a Bond Election?

# Ballot Language

- ▶ 75-word ballot statement
- ▶ List of projects, highlighting those that polled well

## FULL TEXT OF MEASURE MM

### MIRACOSTA COMMUNITY COLLEGE DISTRICT

#### BOND MEASURE ELECTION NOVEMBER 8, 2016

**"MIRACOSTA COLLEGE JOB TRAINING, COLLEGE TRANSFER, VETERAN SUPPORT MEASURE.** To upgrade classrooms and career training facilities for science, healthcare, technology, advanced manufacturing, other growing local industries, provide job training/placement to Navy/ Marines/ other veterans, improve access to affordable higher education for local students, improve disabled access, repair, construct, acquire classrooms, facilities, sites/equipment, shall MiraCosta Community College District issue \$455,000,000 in bonds, at legal rates, subject to local control, requiring annual audits and independent citizen oversight?"

Bonds - Yes

Bonds – No

#### PROJECTS

The Board of Trustees of the MiraCosta Community College District, to be responsive to the needs of its community, evaluated MiraCosta College's urgent and critical facility needs, and its capacity to provide students, active military, and **Veterans** with support and **job training** facilities, and an **affordable education** to prepare them for success in **college and careers**. **Veteran's support, job training** facilities, safety issues, class size and offerings, and information and computer technology were each considered in developing the scope of projects to be funded, as such are outlined in the District's Facilities Master Plan 2016 Update and incorporated herein by reference in its entirety, and available for review on the District's website ([www.miracosta.edu](http://www.miracosta.edu)). In developing the scope of projects, basic repairs, **job training** facilities, campus safety, facilities **supporting Veterans**, and the expansion of opportunities for local students to receive an **affordable, quality education**, were **prioritized**. If these facility needs are not addressed now, MiraCosta College would be unable to remain competitive in preparing students for jobs in high demand industries and **university transfer**. The Board of Trustees determines that **MiraCosta College MUST:**

- Improve career training facilities for science, healthcare, technology and skilled trades to better prepare students and returning veterans for success in college and careers.**
- Increase opportunities for local students to earn college credits, certifications and job skills at reasonable prices and transfer to four-year colleges and universities;**
- Expand and improve the Veterans' Center and provide job training, job placement, counseling, and support services to Navy, Marine and other military veterans and their families;**
- Continue training local workers and partnering with local industries in biotech, aerospace, high-tech manufacturing, biomedical engineering, computer science and nursing to drive our local economy;**
- Ensure that all money raised by this measure will stay in our community to support local students, and cannot be taken away by the State or used for other purposes;**

# Ballot Language

- ▶ List of protections as required by Prop 39
- ▶ List of Fiscal Accountability measures
- ▶ Ballot language includes a very broad listing of capital construction, modernization and remodel projects including infrastructure.
  - Each project is assumed to include its share of furniture, equipment, architectural, engineering, and similar planning costs

## FULL TEXT OF MEASURE MM (CONTINUED)

5. FISCAL ACCOUNTABILITY. THE EXPENDITURE OF BOND MONEY ON THESE PROJECTS IS SUBJECT TO STRINGENT FINANCIAL ACCOUNTABILITY REQUIREMENTS. BY LAW, PERFORMANCE AND FINANCIAL AUDITS WILL BE CONDUCTED ANNUALLY, AND ALL BOND EXPENDITURES WILL BE MONITORED BY AN INDEPENDENT CITIZENS' OVERSIGHT COMMITTEE TO ENSURE THAT FUNDS ARE SPENT AS PROMISED AND SPECIFIED. THE CITIZENS' OVERSIGHT COMMITTEE MUST INCLUDE, AMONG OTHERS, REPRESENTATION OF A BONA FIDE TAXPAYERS ASSOCIATION, A BUSINESS ORGANIZATION AND A SENIOR CITIZENS ORGANIZATION. NO DISTRICT EMPLOYEES OR VENDORS ARE ALLOWED TO SERVE ON THE CITIZENS' OVERSIGHT COMMITTEE.

The listed projects will be completed as needed. Each project is assumed to include its share of furniture, equipment, architectural, engineering, and similar planning costs, program/project management, staff training expenses, a customary contingency, and costs associated with the Total Cost of Ownership of facilities and equipment. In addition to the listed projects stated above, authorized projects also include the acquisition of a variety of instructional, maintenance and operational equipment, including interim funding incurred to advance fund projects from payment of the costs of preparation of all facility planning, fiscal reporting, facility studies, assessment reviews, facility master plan preparation and updates, environmental studies (including environmental investigation, remediation and monitoring), design and construction documentation, and temporary housing of dislocated college activities caused by construction projects. In addition to the projects listed above, repair, renovation and construction projects may include, but not be limited to, some or all of the following: renovation of student and staff restrooms; replace aging electrical and plumbing systems; repair and replacement of heating, ventilation and air conditioning systems; acquire vehicles; upgrade of facilities for energy efficiencies, including photovoltaic/solar installations; repair and replacement of worn-out and leaky roofs, windows, walls doors and drinking fountains; replace or remove outdated buildings and classrooms and construction of new classrooms and support buildings; installation of wiring and electrical systems to safely accommodate computers, technology and other electrical devices and needs; upgrade facilities to meet earthquake safety standards, current environmental sustainability and State compliance standards; repair and replacement of fire alarms, emergency communications and security systems; upgrading, resurfacing, replacing or relocating of hard courts, fields, turf and irrigation systems; install sod or artificial turf on athletic fields; upgrade classrooms; build or upgrade facilities; construct, expand or reconfigure facilities to create lecture classrooms; construct parking lots, upgrade, resurfacing and reconditioning existing parking lots; improve vehicular access and traffic circulation; improve pathways, such as sidewalks, pedestrian bridge, traffic center; improve drop-off zones, bus stops; repair, upgrade and install interior and exterior lighting systems; replace water lines and valves, gas and sewer lines and other plumbing systems; construct, upgrade, acquire or expand multi-use classrooms and labs, fine arts and visual and performing arts facilities, learning resources center, physical education/aquatic facilities, gym, locker rooms, field lights, bleachers, press box, track replacement, support buildings, student service/campus center and instructional buildings, campus police building, resource center, libraries, automotive building, athletic fields, student services buildings; improve water conservation and energy efficiency; acquire land; replace or upgrade outdated security and safety systems; replace existing window systems with energy-efficient systems to reduce costs; improve insulation, weatherproofing and roofs to reduce costs; improve access for the disabled; install and repair fire safety equipment, including alarms, smoke detectors, sprinklers, emergency lighting, and fire safety doors; replace broken concrete walks, deteriorated asphalt; replace/upgrade existing signage, bells and clocks; demolition of unsafe facilities; install new security systems, such as security (surveillance) cameras, burglar alarms, handrails, outdoor lighting, fencing, gates and classroom door locks; create outdoor study and gathering spaces; interior and exterior painting, wall and floor covering replacement; improve drainage systems to prevent flooding; upgrade roadway and pedestrian paths for improved safety and access for emergency vehicles, site parking, utilities and grounds. The project list also includes the refinancing of outstanding lease obligations. The upgrading of technology infrastructure includes, but is not limited to, upgrading classroom technology, expanding wireless internet access, acquire portable interface devices, servers, switches, routers, modules, sound projection systems,

# Assessed Value and Project Sequence

Bond sizing includes:

- ▶ District Assessed Property Value
- ▶ AV Growth Projections
- ▶ Polling Support Numbers
- ▶ Prop 39 Limitations
- ▶ Capacity Limitations
