

The Community College Baccalaureate: A New Frontier

Constance M. Carroll, Ph.D.

President and CEO
California Community College Baccalaureate
Association

Chancellor Emerita
San Diego Community College District

Changes in Degree Requirements

- The high school diploma is no longer the entry requirement for jobs.
- The associate degree has been replaced by the bachelor's degree as the entry requirement for many jobs.
- The Master Plan needs to be updated to reflect new workforce realities.

Various Bachelor's Degree Pathways

- Articulation Agreement
- Two + Two Program
- University Center
- Distance Learning/Degree Completion
- Community College Baccalaureate

Conclusions

Benefits of Community College Baccalaureate

- Addresses workforce and economic needs.
- Provides accessible bachelor's degree programs for students who are “place bound.”
- Provides high-quality education by colleges that often offer associate degree programs in the same workforce fields.
- Is affordable - \$10,560 for all 4 years.

Lessons Learned & Recommendations

1. Opposition is Inevitable

- Universities' Fear of Competition
- Community Colleges' Ideological/Emotional Concerns
- Expect at least two years of development

2. Identify a Legislator to Serve as Champion

3. Quantify Needs

- Workforce Data
- Degrees

4. Address Details

- Accreditation
- Cost

5. Organize a Coalition

6. Obtain Endorsements

- Chamber of Commerce
- Professional Organizations
- Students
- Veterans Groups

7. Emphasize Educating the Public

- Media, Op. Eds, etc.
