---

## INTRODUCTION

The size and complexity of the California Education Code can make it appear daunting, and its table of contents is not very helpful. To help you navigate the code, following is an outline that focuses on the community college section (Title 3, Division 7) of the code. Ninety-nine percent of the time you will only be concerned with sections 70900 - 88550 of the code.

## THE BIG PICTURE
